REMOVAL OF ROUND-TRIP DIRECT FARES FOR PNG DOMESTIC

Dear Valued Industry Partners,

This notice serves to inform you that effective Wednesday 1 May 2024, we will be transitioning to offering one-way fares only for all our PNG direct sectors. This means that **roundtrip fares will no longer be available** on direct sectors such as POM to LAE v.v., POM to HGU v.v., RAB to KVG v. v etc.

Additionally, all direct fares will now have a Fare Basis Code (FBC) ending with figure '1'.

For Example:

POMLAE - Current Structure			
RBD	FBC	OW/RT	Fare (PGK)
J	JJF1	OW	828
Y	YYF1	OW	576
B	BYS3	OW	548
B	BYS2	RT	1018
L	LYS3	OW	485
L	LYS2	RT	886
T	TYV3	OW	401
T	TYV2	RT	728
K	KYV3	OW	362
K	KYV2	RT	660
V	VYV3	OW	321
V	VYV2	RT	605
O	OYD3	OW	300
O	OYD2	RT	563

POMLAE - New Structure			
RBD	FBC	OW/RT	Fare (PGK)
J	JJF1	OW	828
Y	YYF1	OW	576
B	BYS1	OW	548
L	LYS1	OW	485
T	TYV1	OW	401
K	KYV1	OW	362
V	VYV1	OW	321
O	OYD1	OW	300

There will be **no change to the one-way fare amounts.** The only change is the Fare Basis Code (FBC) and the removal of Round-trip (RT) fare amounts for direct fares and sectors only.

- **Any ticket that has been issued prior to 1 May on the Round-Trip fares will be honored as is.**
- **Any ticket that has been issued on the Round-Trip fares that require a voluntary reissue after 1 May will be subject to the One-way fare amounts and FBCs in effect. Additional collection in fare difference may apply.**
- **Any quote issued before 1 May on Round-Trip fares will have to be repriced after 1 May and ticket to be issued based on the One-way structure.**

Thankyou.
